Subject: Qualification Records

Dear Mr. Vedat,

Hope you are fine and doing well.

I would like to convey my heartiest thanks for every body who were involved in Bina Offshore Pipeline Project. Your crew has done extremely good and quality job with patient in critical situations.

My special thanks to Mr. Yusuf & Mr. Ali who have shown their full commitment and best performance through out the job.

You will be glad to know that we have successfully completed gauging and caliper pigging for offshore pipeline. The results are good and accepted by our client.

Well done SPDC!!

Please find attached herewith welder's qualification record for last four welders. Kindly distribute them with my thanks.

Regards
